International Association Membership Form

Name of Owners(s): Identify who will cast the single vote for each yacht. Please list ALL co-owners:

Address: _____

City: _____ State: _____ Zip: _____

Country: _____

Phone:() _____ Bus:() _____

**E-mail: _____

Boat Name: _____ Hull#: _____

Berth location/marina: _____

Boat City: _____ Boat State: _____

Boat Zip: _____

Purchased New/ Used _____

**Most of our business is conducted by e-mail. Be sure to register your address with us and also to join the discussion list.

**While waiting for your copy of the Mainsheet magazine login to the C350 discussion list. Go to:

www.sailnet.com ;Discussion lists; Boat owner lists; C350 discussion list and follow the instructions to join. You will meet other owners, have input and responses, stay in the loop and make new friends.

What is the Catalina 350 International Association?

The C350 Association is an association of volunteer owners interested in meeting and talking to other C350 owners and having an official voice as owners, with the Factory.

The Catalina 350 was introduced in 2002 at the Atlantic City Boat show with the christening of hull # 001 by Ms. Sharon Day, Mr. Jerry Douglas and of course Mr. Frank Butler. With over 260 Yachts built to date [January 2004], we are starting with a formidable number of 350 owners. If you own a 350 model, you are invited to join.

Only Association members receive "*Mainsheet*"

Receiving the *Mainsheet* magazine is a key reason for becoming a member of the International Association. Your \$25 annual membership fee includes a subscription to *Mainsheet*, plus ongoing up to date information on the discussion list at Sailnet.com. The magazine has a great overview of the Catalina product line and features a section each quarter on Catalina 350's. This is where you will find news of owner modifications and other great ideas to upgrade your 350. When you join the International Association, the magazine alone is well worth the \$25 membership fee.

The Local Fleet Concept

If you sail your Catalina 350 in an area where there is a local fleet organized, you may be asked to join that fleet. Or you can begin your own Fleet. Think of the advantage of sailing with, and comparing notes with other Catalina owners in your area. The possibilities are limited only by your local fleets or association's imagination.

Have a Question About Your Catalina 350?

The answer is just a letter or phone call away. We have a Technical Coordinator and other experienced owners and board members. You will have an answer, even if we have to quiz the factory.
